

000 INDUCTION IN ACTION

A Chef's Tasting Tour of Today's Sustainable & Sensational Electric Kitchens

Celebrated Chefluencer Kimberly Ayala joins forces with host chef, Bryan Tran, at the stunning Fisher & Paykel Experience Center for a celebration of sustainability and style. Join in the fun and get "plugged in" to the remarkable benefits of induction cooking, steam cooking and so much more. Taste your way through a gourmet menu, while learning about appliance trends, building codes and resources. Come see why more and more chefs, home cooks and homeowners are embracing today's electric kitchens (and homes)!

- Live cooking by two chefs, each induction experts
- Interactive induction and sustainability presentation
- Kitchen design and appliance expertise and inspiration
- Gourmet food, networking, and fun!
